**Adventure Seventy-Five Cut Scenes:**

The cut scenes are dreams that everyone has.

**Scion** – You’re walking down a set of long stairs, something is behind you. You are afraid, and you start running. You have never been afraid before. You pass a landing, there are only more stairs leading down. The footsteps behind you get louder and louder. It sounds like multiple footsteps. You pass a second landing, and you run faster, flying down the stairs five and six at a time. Suddenly the footsteps are right on you, and past you. You look over and Dreamgirl is passing you on the stairs. Right behind her is Degree. Mr. Improbable is the last in the pack, and he laughs and laughs as he passes you. Although you’re running incredibly fast, they outdistance you in seconds. Finally you reach the bottom of the stairs. There is no where else to go, but nothing chasing you either. At the foot of the stairs are three doorways. You open the middle door.

**Ravenstick** - You’re walking down a set of long stairs, something is behind you. You are afraid, and you start running. You have never been afraid like this before. You pass a landing, there are only more stairs leading down. The footsteps behind you get louder and louder. It sounds like multiple footsteps. You pass a second landing, and you run faster, flying down the stairs two and three at a time. Suddenly the footsteps are right on you, and past you. You look over and Dreamgirl is passing you on the stairs. Right behind her is Scion. Mr. Improbable is the last in the pack, and he laughs and laughs as he passes you. Although you’re running incredibly fast, they outdistance you in seconds. Finally you reach the bottom of the stairs. There is no where else to go, but nothing chasing you either. At the foot of the stairs are three doorways. You open the door on the right.

**Red Griffon** - You’re walking down a set of long stairs, something is behind you. You are afraid, and you start running. You have never been afraid before, but you cannot turn around. You pass a landing, there are only more stairs leading down. The footsteps behind you get louder and louder. It sounds like multiple footsteps. You pass a second landing, and you run faster, flying down the stairs four and five at a time. Suddenly the footsteps are right on you, and past you. You look over and Dreamgirl is passing you on the stairs. Right behind her is Ravenstick. Mr. Improbable is the last in the pack, and he laughs and laughs as he passes you. Although you’re running incredibly fast, they outdistance you in seconds. Finally you reach the bottom of the stairs. There is no where else to go, but nothing chasing you either. At the foot of the stairs are three doorways. You open the door on the left.

**Claire** - You’re walking down a set of long stairs, something is behind you. You are afraid, and you start running. You have never been afraid before. You pass a landing, there are only more stairs leading down. The footsteps behind you get louder and louder. It sounds like multiple footsteps. You pass a second landing, and you run faster, flying down the stairs two and three at a time. Suddenly the footsteps are right on you, and past you. You look over and Dreamgirl is passing you on the stairs. Right behind her is Red Griffon. Mr. Improbable is the last in the pack, and he laughs and laughs as he passes you. Although you’re running as fast as you can, they outdistance you in seconds. Finally you reach the bottom of the stairs. There is no where else to go, but nothing chasing you either. At the foot of the stairs are three doorways. You open the middle door.
Kaliko - You’re walking down a set of long stairs, something is behind you. You are afraid, and you start running. You have never run from fear before. You pass a landing, there are only more stairs leading down. The footsteps behind you get louder and louder. It sounds like multiple footsteps. You pass a second landing, and you run faster, flying down the stairs two and three at a time. Suddenly the footsteps are right on you, and past you. You look over and Dreamgirl is passing you on the stairs. Right behind her is Claire. Mr. Improbable is the last in the pack, and he laughs and laughs as he passes you. Although you’re running as fast as you can, they outdistance you in seconds. Finally you reach the bottom of the stairs. There is no where else to go, but nothing chasing you either. At the foot of the stairs are three doorways. You open the door on the left.

Cut Scene One – You all wake up. Each reacting to your dream differently (this is where you do some roleplaying). There is an 8:00 AM routine Challenger’s meeting. This is only for the on duty Challengers. It’s being held at the old headquarters until the new one can be readied.
